

Joe,

I just want to let you know how much Justin helped me this morning.

He went absolutely above and beyond the call of duty:

At 4:30 am a man was shouting that he witnessed a murder and had the murder weapon. Justin saw all the damage to my vehicle this man had done (all tires slashed, rear and side windows broken, all panels and hood keyed) and contacted the police.

The police found the man near by and Justin IDd him and because this man had a warrant for his arrest, the man is in custody.

I got to my vehicle at 7am and Justin ran from a block away to tell me about this.

I'm so happy that he was paying attention and cared enough to do something...otherwise this man would still be on the street doing more damage in our neighborhood.

Justin also told me about your company. I'm so pleased you all are helping us all out.

Thank you to Justin and to you for your time.
