5. MOTION TO ADJOURN

Welcome to the Castro/Upper Market Community Benefit District Board of Directors Meeting. The CBD's board is made up of volunteers, many of whom own property in the district and/or are business owners in the district. Others live in the Eureka Valley neighborhood and have a history of commitment to making it a better place to live, visit, and work. None of the board members are compensated.

The CBD's mission is to improve the quality of life in the district by supplementing services performed by the city and county of San Francisco. Those services include but are not limited to

street cleaning, greening, neighborhood beautification, and public safety. The CBD is funded by a special assessment approved by and paid by property owners in the district, grants and donations. It receives no public tax dollars. The assessments appear on property tax bills, are collected by the San Francisco Assessor's Office, and forwarded by that office to the CBD. Members of the public are welcome to but not required to introduce themselves and to sign in on the sheet provided. If, when a member of the public speaks, the Chair asks them to introduce themselves, it is done as a matter of courtesy. If the speaker does not wish to introduce themselves, they are free to decline. Members of the public are welcome at all board meetings and committee meetings except for closed sessions as allowed for in the California Brown Act.
