The CBD's mission is to improve the quality of life in the district by supplementing services performed by the city and county of San Francisco. Those services include but are not limited to street cleaning, greening, neighborhood beautification, and public safety.

The CBD is funded by a special assessment approved by and paid by property owners in the district. It receives no public tax dollars. The assessments appear on property tax bills, are collected by the San Francisco Assessor's Office, and forwarded by that office to the CBD.
