Welcome to the Castro/Upper Market Community Benefit District Board of Directors Meeting.

The CBD's board is made up of volunteers, many of whom own property in the district and/or are business owners in the district. Others live in the Eureka Valley/Castro neighborhood and have a history of commitment to making it a better place to live, visit, and work. None of the board members are compensated.

The CBD's mission is to improve the quality of life in the district by supplementing services performed by the city and county of San Francisco. Those services include but are not limited to street cleaning, greening, neighborhood beautification, and public safety.

The CBD is funded by a special assessment approved by and paid by property owners in the district. It receives no public tax dollars. The assessments appear on property tax bills, are collected by the San Francisco Assessor's Office, and forwarded by that office to the CBD.
