You will be called to speak in order from the chat function. If, when a member of the public speaks, the Chair asks them to introduce themselves, it is done as a matter of courtesy. If the speaker does not wish to do introduce themselves they are free to decline. Members of the public are welcome at all board meetings and committee meetings except for closed sessions as allowed for in the California Brown Act. Public comment is taken on every agenda item, after board discussion, but before the board vote. Public comment at this time is limited to the specific agenda item. General public comment, at the end of the meeting is taken on any item that is pertinent to the CBD. General public comment during committee meetings is taken on topics pertinent to that committee. Members of the board/committee are not permitted to discuss items not on the agenda. Therefore, during general public comment, there is no discussion, notes will not be taken on comments.

These limits may be modified by the Chair at his/her discretion. Pursuant to Section 54957.9 of the Brown Act, the Board shall exclude or remove all persons who willfully cause a disruption of a meeting so that the meeting cannot be conducted in an orderly manner. "Disruption" includes personal attacks, physical threats, derogatory, offensive, insolent, threatening, slanderous, obscene, etc. comments directed at members of the Board, the CBD's Executive Director and/or Administrative Staff Person, guests, or members of the public. Disruption also includes boisterous or other behavior that prevents the meeting from continuing in an orderly fashion. This behavior is to be distinguished from comments which are critical but are delivered in a manner which is not disruptive to the meeting and non-threatening.
